## GLITTERFOIL CARDS

Glitterfoil adds a beautiful layer to the vintage acetates for cards! I fell in love with this material at several stamp shows this summer. Join me in making a set of five nature cards in this workshop. No cutting or experience needed! Class is limited to two sessions with four people in each.

Workshop fee is \$20.00 and includes all supplies except adhesives.

Sunday, September 18, 1 PM—3 PM  
Tuesday, September 20, 6 PM—8 PM

Other workshops featuring Glitterfoil and PK Glitz products will be scheduled in the near future. Let me know if you're interested!

## HALLOWEEN WORKSHOPS

New for 2016! Bring your Silhouette Cameo or Cricut machine to one of the machine-specific sessions and cut and craft Halloween cards and a home décor project. If you don't have a machine or don't want to cut, try an Open session where I'll select and pre-cut the projects. All sessions are \$20.00 and include all supplies except adhesives.

### Silhouette Cameo sessions

Sunday October 2, 1p—4p & Saturday October 8, 9a—1p

### Cricut Machine sessions

Thursday, October 6, 6p-9p & Sunday, October 16, 1p-4p

### General sessions - no machine required

Saturday, October 1, 9a-12p & Thursday, October 20, 6p-9p

If you see a project on Pinterest, my website, or Facebook, or want to learn how to do something special with your Cricut® or Silhouette® machine, let me know! I can schedule a small group class for you and your friends.
